Fashion Group International Announces ‘Rising Star’ Finalists

One of the most exciting features of our annual international event, the Fashion Group International Rising Star Awards, is the introduction of new and emerging designers from around the world. This year, we are thrilled to present the top five finalists for the 2022 Rising Star Awards.

1. Sarah Lincoln - Sarah Lincoln is a multifaceted designer who has made a name for herself in the fashion world. Her unique approach to sustainability and ethical practices sets her apart from the crowd. She has partnered with several top retailers, including Nordstrom and Saks Fifth Avenue.

2. Maria Duarte - Maria Duarte is known for her intricate hand embroidery and traditional techniques. Her designs are a blend of modern and traditional, reflecting her African heritage. Duarte has been featured in numerous fashion week events and her pieces are sought after by collectors around the world.

3.hammad Kajani - Hammad Kajani is a rising star in the world of men’s fashion. His designs are minimalist yet bold, with a focus on sustainability and ethical production. Kajani’s work has been featured in several high-profile publications, including Vogue and GQ.

4. Yuki Kuroda - Yuki Kuroda is a Japanese designer known for her innovative use of technology and traditional Japanese techniques. Her designs are a fusion of traditional and modern, with a focus on sustainability and ethical production.

5. Arinna Mok - Arinna Mok is a rising star in the world of handbags. Her designs are a fusion of traditional and modern, with a focus on sustainability and ethical production. Mok’s work has been featured in several high-profile publications, including Vogue and GQ.

The Fashion Group International Rising Star Awards are a celebration of talent and innovation in the fashion industry. We look forward to seeing these designers take the next step in their careers and continue to make a positive impact in the world of fashion.
