

April 28, 2022: Fashion Group International hosted its 2022 Rising Star Awards finalists for a cocktail party at **Diesel's** remodeled SoHo boutique. Fashion insiders Ken Downing, Lara Eurdolian, Simon Goldman and more mingled with nominees including Salone Monet, Julie Lamb, Maya Wang and Frederick Anderson. Thrown by Ana Martins Communications and featuring remarks from FGI's CEO Maryanne Grisz, the event precluded the organization's Diesel Sustainability Award luncheon and Rising Star Awards, which will be held on May 10 in New York City.
